

Median Grade Report - Spring '02

The following Median Grade Report is comprised of two listings:

- 1) Courses that are NOT cross-listed or have multiple sub-topics
- 2) Courses that ARE cross-listed or have multiple sub-topics

We have tried to display an accurate representation of cross-listed and multiple sub-topic courses.

Column definitions:

COURSE - Department name abbreviation and course number

COURSE TITLE - The title of the course as it appears in SIS (Student Information System)

#/COURSE - Number of students enrolled in the course (see GRADE explanation)

GRADE - This is the median grade calculated for the course. The grade calculation is based on let grades only. S/U, INC, V, NGR and R grades are excluded.

CROSS-LISTED - The "parent" courses are listed in **red** . The child is listed in black.

***You may use the FIND function (located under the Tools menu bar) within Acrobat to find a specific course.
